Kettering, Ohio 45429

Dear Colleague,

Midwest Behavioral Care, Ltd. is a group mental health private practice of independently licensed psychologists, social workers, marriage and family therapists, and professional clinical counselors, based in Dayton, Ohio. Our practice provides individual, group, and family therapy throughout the Miami Valley. We are seeking independently licensed professionals to add to our staff for both full-time and part-time positions. Our clients range from young children to adults of all ages. As you would expect, our clients are seeking help for a wide range of issues.

We are currently expanding our provider staff. Therapists are independent contractors, setting their own schedules and working under their own licenses. The opportunity is best for individuals who value and excel in an independent environment. If you are interested in a very unique employment opportunity, please call 937-434-6840 or send a résumé or vita, a copy of your license, the names and telephone numbers of three professional references, and a copy of your professional liability insurance coverage. For additional information about MBC, please visit our website at www.midwestbehavioralcare.com.

Thank you. I look forward to hearing from you.

Sincerely,

Debra K. Sowald, Psy.D.
